Dear Jamie,

Thank you so much for sharing your artistry, knowledge and encouragement with the flute students at Middle Tennessee State University. Your master class 'Improvisation for the Classically Trained Flutist' you shared with the MTSU students was inspiring, informative and fun! It was wonderful to hear the students play and get outside of their comfort zone! Your energy was wonderful and the graciousness you brought to the flute students allowed the performers to feel comfortable enough to try improvising, to think differently and to listen. Thank you for offering your insight on improvisation, ideas as to how to approach it and to show us it is something we can and need to do!

I hope that you will come back to MTSU and play a recital as in the little time we spent together left me wanting to hear much more! You are truly a musician and teacher of the highest level and I was quite honored that you shared your time with us at MTSU.

Sincerely,

A handwritten signature in black ink that reads "Deanna R. Little".
